1. Introduction

This Billing FAQ answers the most common questions related to NovaDesk subscriptions, licensing, invoices, payments, and billing administration.

For account-specific billing inquiries, contact your organization's billing administrator or NovaTech Finance Support.

2. Subscription Plans

Q1. What subscription plans are available?

NovaDesk offers multiple subscription plans designed for organizations of different sizes and operational requirements.

Q2. How do I know which subscription plan my organization uses?

Your organization's account administrator or NovaTech Account Manager can provide subscription details.

Q3. Can subscription plans be customized?

Enterprise customers may request customized subscription packages based on business requirements.

Q4. What features are included in my subscription?

Available features depend on the subscribed plan and licensed modules.

Q5. Are software updates included?

Yes. Product updates covered under your subscription are provided throughout the subscription term.

Q6. Can I purchase optional modules?

Yes. Additional modules may be purchased separately where available.

Q7. Is there a minimum subscription period?

Minimum subscription terms are defined in your commercial agreement.

Q8. Are trial subscriptions available?

Eligible organizations may request a time-limited evaluation environment.

Q9. Can different departments use different plans?

Subscription structure depends on your organization's licensing agreement.

Q10. Who manages subscription changes?

Subscription changes are coordinated through your organization's account administrator and NovaTech Sales.

3. User Licenses

Q11. What is a user license?

A user license allows one authorized individual to access NovaDesk.

Q12. Can licenses be reassigned?

Yes. Administrators may reassign licenses according to organizational policy.

Q13. How many users can access the system?

The number of users depends on the purchased license allocation.

Q14. Can inactive users free a license?

Depending on licensing terms, administrators may deactivate inactive users and reassign available licenses.

Q15. Can multiple employees share one license?

No. Each licensed user must have an individual account.

Q16. How do I request additional licenses?

Submit a request through your organization's account administrator.

Q17. What happens when all licenses are in use?

Additional users cannot be assigned until licenses become available or additional licenses are purchased.

Q18. Can temporary users receive licenses?

Temporary licensing options depend on the subscription agreement.

Q19. How do administrators view license usage?

License utilization is available through the administrative dashboard.

Q20. Are administrator accounts licensed separately?

Licensing rules for administrator accounts depend on your organization's agreement.

4. Account Billing**Q21. Who receives billing invoices?**

Invoices are sent to the designated billing contact registered for the customer account.

Q22. Can billing contacts be changed?

Yes. Authorized administrators may update billing contact information.

Q23. How do I update company billing information?

Billing profile updates can be requested through the customer account administrator.

Q24. Can multiple billing contacts receive invoices?

Yes, if multiple billing recipients are configured.

Q25. How often is billing generated?

Billing frequency depends on the subscription agreement (monthly, quarterly, or annually).

Q26. Can billing information be downloaded?

Authorized users may download billing documents where available.

Q27. Why does my invoice differ from the previous one?

Invoice amounts may change because of:

- Additional licenses
 - Subscription upgrades
 - Contract modifications
 - Taxes
 - Credits or adjustments
-

Q28. Can billing be consolidated across departments?

Enterprise billing options depend on contractual agreements.

Q29. Can different business units receive separate invoices?

Separate billing arrangements may be available for eligible enterprise customers.

Q30. How do I report a billing discrepancy?

Contact NovaTech Finance Support and reference the invoice number.

5. Invoices

Q31. When are invoices issued?

Invoices are generated according to the agreed billing schedule.

Q32. How will I receive my invoice?

Invoices are typically delivered electronically to registered billing contacts.

Q33. Can I request a copy of an invoice?

Yes. Historical invoices can be requested from Finance Support.

Q34. What information appears on an invoice?

Invoices typically include:

- Invoice number
- Customer information
- Subscription period

- Products and services
 - Quantity
 - Pricing
 - Taxes
 - Total amount due
-

Q35. Can invoices be downloaded as PDF?

Yes. PDF invoices are available where supported.

Q36. What should I do if I lose an invoice?

Request another copy from NovaTech Finance Support.

Q37. Can invoices be reissued?

Invoices may be reissued when administrative corrections are required.

Q38. Are invoice numbers unique?

Yes. Each invoice is assigned a unique identifier.

Q39. What is the payment due date?

Payment terms are specified on each invoice.

Q40. Can invoice details be corrected?

Administrative corrections may be requested before payment processing where applicable.

6. Payment Methods

Q41. Which payment methods are accepted?

Accepted payment methods are defined in your commercial agreement.

Q42. Can payments be made by bank transfer?

Bank transfer options are available for eligible customers.

Q43. Are online payments supported?

Online payment availability depends on your region and account configuration.

Q44. Can multiple invoices be paid together?

Consolidated payment options depend on billing arrangements.

Q45. How do I confirm payment?

Payment confirmation may be submitted according to Finance Support instructions.

Q46. What happens after payment is received?

The payment is processed and recorded against the applicable invoice.

Q47. Can partial payments be made?

Partial payment policies depend on contractual agreements.

Q48. Is payment confirmation automatic?

Electronic payment confirmation depends on the payment method used.

Q49. Are payment receipts available?

Yes. Payment receipts may be provided after successful processing.

Q50. Who should I contact regarding payment issues?

Contact NovaTech Finance Support or your assigned Account Manager.

7. Billing Contacts**Q51. Who should be designated as the billing contact?**

The billing contact should be an authorized representative responsible for invoice processing.

Q52. Can multiple billing contacts be configured?

Yes. Multiple contacts may be configured where supported.

Q53. How do I update billing email addresses?

Authorized administrators may submit billing contact updates.

Q54. Can billing contacts view account information?

Access depends on assigned permissions.

Q55. What happens if the billing contact leaves the organization?

The account administrator should update billing contact information promptly.

Q56. Can finance personnel receive invoice copies?

Yes. Additional finance contacts may receive invoice notifications if configured.

Q57. How do I verify the registered billing contact?

Contact your organization's administrator or NovaTech Account Manager.

Q58. Who receives renewal reminders?

Renewal reminders are sent to registered billing and account contacts.

Q59. Can billing contacts submit support requests?

Yes. Authorized billing contacts may communicate with Finance Support.

Q60. How do I request changes to billing communication preferences?

Billing communication preferences can be updated through the account administrator or Finance Support.

8. Subscription Renewals

Q61. When will I receive a renewal reminder?

Renewal reminders are typically sent before the subscription expiration date to registered billing contacts.

Q62. Can subscriptions renew automatically?

Automatic renewal depends on the contractual agreement between your organization and NovaTech.

Q63. How do I renew my subscription?

Contact your Account Manager or follow your organization's procurement process before the subscription expires.

Q64. What happens if I do not renew on time?

Service access may become restricted after the subscription expires, subject to contractual terms.

Q65. Can subscriptions be renewed for multiple years?

Yes. Multi-year renewal options are available for eligible enterprise agreements.

Q66. Will pricing change during renewal?

Pricing depends on the applicable contract, negotiated terms, and any agreed revisions.

Q67. Can renewal dates be changed?

Renewal schedules may be adjusted during contract negotiations.

Q68. Who approves subscription renewals?

Renewals are approved by authorized representatives within your organization.

Q69. Can renewals include additional licenses?

Yes. License quantities may be updated during the renewal process.

Q70. What documents are required for renewal?

Depending on your procurement process, documents may include purchase orders, contract amendments, or renewal approvals.

9. Plan Upgrades & Downgrades

Q71. Can I upgrade my subscription before renewal?

Yes. Subscription upgrades may be requested during the active contract period.

Q72. When does an upgraded plan become active?

Activation depends on processing timelines and commercial agreements.

Q73. Will existing data be affected by an upgrade?

No. Subscription upgrades do not remove existing customer data.

Q74. Can I downgrade my subscription?

Downgrades are generally processed at renewal unless otherwise agreed.

Q75. Will features be removed after a downgrade?

Yes. Features not included in the selected subscription may become unavailable.

Q76. Can licenses be increased at any time?

Additional licenses may be purchased during the subscription period.

Q77. Can unused licenses be transferred?

Administrators may reassign unused licenses according to licensing policies.

Q78. How are upgrade charges calculated?

Charges are calculated according to the commercial agreement and the remaining subscription period.

Q79. Will users experience downtime during a plan upgrade?

Subscription upgrades normally do not require service interruption.

Q80. Who should approve plan changes?

Authorized account administrators or procurement representatives approve subscription modifications.

10. Taxes

Q81. Are taxes included in invoice amounts?

Tax treatment depends on applicable regulations and the terms of your agreement.

Q82. Which taxes may apply?

Applicable taxes may include:

- Goods and Services Tax (GST)
 - Value Added Tax (VAT)
 - Sales Tax
 - Other regional taxes
-

Q83. Can tax exemption certificates be submitted?

Eligible customers may submit valid tax exemption documentation.

Q84. Why has tax changed on my invoice?

Tax amounts may change because of regulatory updates or changes to billing information.

Q85. Can tax details be corrected?

Administrative corrections may be requested before payment processing where permitted.

Q86. Is the customer's tax identification number shown on invoices?

Where applicable, tax identification information may appear on invoices.

Q87. Are international customers taxed differently?

Tax obligations depend on local regulations and contractual arrangements.

Q88. Can tax invoices be reissued?

Reissuance may be possible when administrative corrections are required.

Q89. Who can answer tax-related questions?

NovaTech Finance Support can assist with general invoice and tax questions.

Q90. Does NovaTech provide tax-compliant invoices?

Yes. Invoices are prepared according to applicable legal and regulatory requirements.

11. Purchase Orders**Q91. Can I pay using a Purchase Order (PO)?**

Enterprise customers may purchase subscriptions using approved Purchase Orders.

Q92. When should a Purchase Order be submitted?

Purchase Orders should be submitted before invoice generation whenever possible.

Q93. Can a Purchase Order cover multiple invoices?

This depends on your organization's procurement procedures.

Q94. What happens if the PO expires?

A revised or replacement Purchase Order may be required before processing.

Q95. Can Purchase Order details be updated?

Administrative updates may be accepted before invoice processing.

Q96. Is a Purchase Order mandatory?

Requirements depend on your organization's procurement policies and commercial agreement.

Q97. Can multiple Purchase Orders be linked to one account?

Enterprise billing arrangements may support multiple Purchase Orders.

Q98. Where should Purchase Orders be sent?

Purchase Orders should be submitted according to the instructions provided by NovaTech Finance.

Q99. How do I verify that my Purchase Order has been received?

Finance Support can confirm receipt and processing status.

Q100. Can Purchase Orders include additional licenses?

Yes. Purchase Orders may include license increases, renewals, or additional services.

12. Billing Cycles

Q101. What billing cycles are available?

Billing cycles may include:

- Monthly
- Quarterly
- Annual

Subject to contractual agreement.

Q102. Can billing frequency be changed?

Billing frequency changes are generally processed during contract renewal.

Q103. Will invoices always be generated on the same date?

Invoice schedules follow the agreed billing cycle.

Q104. What happens if my billing date falls on a holiday?

Invoice processing follows NovaTech Finance operational procedures.

Q105. Are prorated charges supported?

Yes. Prorated billing may apply when subscriptions are modified during an active billing period.

13. Payment Issues

Q106. What happens if payment is delayed?

Delayed payments may result in reminder notifications and, if unresolved, service restrictions according to contractual terms.

Q107. Can payment deadlines be extended?

Extensions require approval from NovaTech Finance.

Q108. What should I do if a payment fails?

Verify payment details and contact Finance Support if the issue continues.

Q109. How do I confirm that payment has been received?

Payment confirmation may be available through Finance Support or your Account Manager.

Q110. Can payment disputes be raised?

Yes. Billing disputes should be submitted promptly with supporting documentation.

Q111. What happens if an invoice is disputed?

Finance Support reviews the dispute and communicates the outcome to the customer.

Q112. Will overdue invoices affect support services?

Support availability depends on the applicable service agreement.

Q113. Can duplicate payments be refunded?

Verified duplicate payments are reviewed according to NovaTech Finance procedures.

Q114. Who should I contact regarding failed transactions?

Contact NovaTech Finance Support with payment details and invoice references.

Q115. How quickly are payment issues resolved?

Resolution time depends on the nature of the issue and the information provided.

14. Refunds & Cancellations

Q116. Can I cancel my subscription?

Subscription cancellations are subject to the terms and conditions of your organization's agreement with NovaTech.

Q117. How do I request a cancellation?

Authorized account administrators should contact their NovaTech Account Manager or Customer Success representative.

Q118. Will service stop immediately after cancellation?

Service availability after cancellation depends on the effective cancellation date specified in the agreement.

Q119. Are partial refunds available?

Refund eligibility depends on contractual terms and applicable policies.

Q120. Can prepaid subscriptions be refunded?

Prepaid subscriptions are generally governed by the commercial agreement signed with the customer.

Q121. What happens to my data after cancellation?

Data retention and deletion follow the applicable service agreement and organizational data retention policies.

Q122. Can a cancelled subscription be reactivated?

Yes. Reactivation may be possible depending on the account status and contractual terms.

Q123. Can I cancel only part of my subscription?

Enterprise customers may modify subscription scope where permitted by contract.

Q124. Will I receive written confirmation of cancellation?

Yes. Confirmation is provided after the cancellation request has been processed.

Q125. Who approves subscription cancellations?

Authorized representatives from the customer organization and NovaTech process cancellation requests according to the agreement.

15. Credit Notes**Q126. When is a credit note issued?**

Credit notes may be issued for approved billing adjustments or administrative corrections.

Q127. Can a credit note replace a refund?

Depending on contractual terms, approved billing adjustments may be processed through a credit note instead of a monetary refund.

Q128. How long does credit note processing take?

Processing time depends on internal finance procedures and supporting documentation.

Q129. Can credit notes be applied to future invoices?

Yes. Approved credit notes may be applied to eligible future invoices.

Q130. Will I receive documentation for a credit note?

Yes. Official credit note documentation is provided after approval.

16. Enterprise Contracts**Q131. Are enterprise agreements available?**

Yes. NovaTech offers enterprise subscription agreements for qualifying organizations.

Q132. Can pricing be negotiated?

Enterprise pricing may be negotiated based on organizational requirements and contract scope.

Q133. Are multi-year contracts supported?

Yes. Multi-year subscription agreements are available for eligible customers.

Q134. Can contracts include custom licensing terms?

Enterprise agreements may include negotiated licensing arrangements.

Q135. Who manages enterprise contracts?

Enterprise contracts are managed by NovaTech Sales, Finance, and Customer Success teams.

Q136. Can contracts include custom Service Level Agreements (SLAs)?

Yes. Eligible enterprise agreements may include customized SLA commitments.

Q137. Can multiple legal entities be included in one agreement?

This depends on the negotiated commercial agreement.

Q138. How are contract amendments handled?

Contract amendments require written approval from both parties.

Q139. Can enterprise agreements include professional services?

Yes. Professional services may be included where agreed.

Q140. Where can I obtain a copy of my agreement?

Authorized customer representatives may request copies through their Account Manager.

17. Billing Support

Q141. How do I contact Billing Support?

Billing Support can be contacted through the Customer Portal, email, or your assigned Account Manager.

Q142. What information should I provide when contacting Billing Support?

Include:

- Customer name

- Invoice number
 - Subscription ID
 - Billing contact details
 - Description of the issue
-

Q143. How quickly does Billing Support respond?

Response times depend on your organization's support plan and the priority of the request.

Q144. Can Billing Support assist with payment confirmations?

Yes. Billing Support can verify payment status and processing information.

Q145. Can Billing Support update invoices?

Administrative invoice corrections may be processed where appropriate.

Q146. How do I escalate a billing issue?

Reference the existing billing request and contact your Account Manager or Customer Success representative.

Q147. Can Billing Support explain invoice charges?

Yes. Finance representatives can explain invoice line items and applicable charges.

Q148. Will I receive updates on my billing request?

Yes. Updates are provided until the billing inquiry is resolved.

Q149. Can Billing Support help with licensing questions?

Yes. Billing and licensing questions can be addressed or routed to the appropriate team.

Q150. Is Billing Support available internationally?

Support availability depends on your organization's service agreement and regional support coverage.

18. General Billing Questions

Q151. Where can I find my Subscription ID?

The Subscription ID appears on account documentation and billing records.

Q152. Can I request historical billing records?

Yes. Historical invoices and billing records may be requested by authorized representatives.

Q153. How often is billing information updated?

Billing records are updated as transactions are processed.

Q154. Can multiple subscriptions be managed under one customer account?

Enterprise customers may manage multiple subscriptions according to their agreement.

Q155. Does NovaDesk support multiple currencies?

Supported billing currencies depend on the customer agreement and regional availability.

Q156. Can billing information be exported?

Authorized administrators may export billing information where supported.

Q157. Are billing records retained?

Yes. Billing records are retained according to applicable legal, financial, and organizational requirements.

Q158. What should I do if I notice an unexpected charge?

Contact Billing Support immediately and reference the applicable invoice.

Q159. How are pricing changes communicated?

Customers receive advance notification of pricing changes in accordance with contractual obligations.

Q160. Where can I find additional billing information?

Additional information is available through your Account Manager, Customer Portal, or NovaTech Finance Support.
