13. Revision History

1. Introduction

NovaDesk is available through flexible subscription plans designed to support organizations of different sizes and operational requirements.

Customers may select a plan based on:

- Number of users
- Required features
- Storage requirements
- Security needs
- Support expectations
- Compliance requirements

Subscriptions are billed annually unless otherwise agreed through an enterprise contract.

2. Subscription Overview

NovaDesk currently offers three standard subscription plans.

- Starter
- Professional
- Enterprise

Each plan includes:

- Secure cloud hosting
- Automatic software updates
- Multi-factor authentication support
- Knowledge Base
- Ticket Management
- Reporting Dashboard

Higher-tier plans include advanced automation, integrations, analytics, and enterprise security capabilities.

3. Plan Comparison

Feature	Starter	Professional	Enterprise
Maximum Users	25	250	Unlimited
Ticket Management	✓	✓	✓
Knowledge Base	✓	✓	✓
Asset Management	✗	✓	✓

API Access	✗	✓	✓
Custom Integrations	✗	Limited	Unlimited
Role-Based Access Control	Basic	Advanced	Advanced
Audit Logs	90 Days	1 Year	7 Years
Single Sign-On (SSO)	✗	Optional	Included
Dedicated Account Manager	✗	✗	Included

4. Starter Plan

The Starter Plan is designed for startups and small businesses beginning their service management journey.

Included Features

- Up to 25 named users
- Incident Management
- Service Request Management
- Knowledge Base
- Email Notifications
- Standard Reports
- Basic Dashboard
- Mobile Access

Storage

Each Starter subscription includes:

- 100 GB document storage
- 25 GB attachment storage

Additional storage may be purchased separately.

Support

Customers receive:

- Business hours email support
- Online documentation
- Community portal access

Target response time:

8 business hours

5. Professional Plan

The Professional Plan is intended for growing organizations requiring enhanced collaboration and automation.

Included Features

Everything in Starter, plus:

- Up to 250 named users
- Asset Management
- Workflow Automation
- API Access
- SLA Tracking
- Advanced Reporting
- Custom Dashboards
- Scheduled Reports
- Approval Workflows
- Microsoft Teams Integration
- Microsoft 365 Integration
- Google Workspace Integration

Storage

Professional customers receive:

- 500 GB document storage

- 250 GB attachment storage

Support

Includes:

- Email Support
- Telephone Support
- Priority Ticket Queue

Target response time:

4 business hours

6. Enterprise Plan

The Enterprise Plan supports large organizations with advanced operational and compliance requirements.

Included Features

Everything in Professional, plus:

- Unlimited users
- Unlimited custom workflows
- Advanced API Rate Limits
- Enterprise Reporting
- Custom Branding
- Advanced Security Policies
- Single Sign-On (SAML 2.0)
- SCIM User Provisioning
- Dedicated Database Option
- Dedicated Account Manager
- Quarterly Business Reviews
- Premium Onboarding Assistance

Storage

Enterprise subscriptions include:

- 5 TB document storage
- 2 TB attachment storage

Additional storage may be provisioned upon request.

Support

Enterprise customers receive:

- 24×7 Priority Support
- Dedicated Customer Success Manager
- Technical Account Manager
- Critical Incident Hotline

Target response time for Priority 1 incidents:

30 minutes

7. Add-On Services

Customers may purchase optional services.

Add-On	Description
Additional Storage	Expand document and attachment capacity
AI Knowledge Assistant	AI-powered semantic search and ticket suggestions
Advanced Analytics	Executive dashboards and forecasting
Sandbox Environment	Separate testing environment
Premium Training	Instructor-led administrator training
Data Migration	Migration from supported legacy systems
Custom Integrations	Development of third-party integrations

Pricing for add-ons is provided separately by the Sales Team.

8. Billing Policy

Subscriptions are billed annually in advance.

Invoices are issued electronically.

Accepted payment methods include:

- Bank Transfer
- Credit Card
- Corporate Purchase Order

Invoices are payable within **30 calendar days** of the invoice date unless otherwise specified in the customer agreement.

Taxes are applied according to applicable laws and regional regulations.

9. Upgrade and Downgrade Policy

Customers may upgrade their subscription at any time.

Plan upgrades become effective immediately after successful billing.

Downgrades take effect at the beginning of the next billing cycle.

Customers should review feature differences before downgrading, as some functionality may become unavailable.

10. Service Level Agreement (SLA)

NovaTech is committed to maintaining high service availability.

Service	Target
Monthly Availability	99.9%
Planned Maintenance Notice	Minimum 7 Days
Critical Incident Response	30 Minutes
Standard Incident Response	4 Business Hours

Scheduled maintenance is normally performed outside standard business hours.

Emergency maintenance may occur without prior notice if required to protect platform stability or security.

11. Support Services

Support is available through:

- Customer Portal
- Email
- Telephone
- Live Chat (Enterprise)
- Critical Incident Hotline (Enterprise)

Support requests are categorized using four priority levels.

Priority Description

P1 Complete service outage

Priority Description

- P2 Significant functionality unavailable
- P3 Minor functional issue
- P4 General question or enhancement request

Support engineers update customers throughout the incident lifecycle until resolution.

12. Frequently Asked Questions

Q1. Can I upgrade my subscription during the contract period?

Yes. Upgrades become effective immediately after payment processing.

Q2. Is API access available in every plan?

No.

API access is available in the Professional and Enterprise plans.
